This grid will allow every unit plenty of time to plan for their event.

This way all Scouts will get to develop and experience planning and leadership skills for District sized events. It's our intent to match up all units to an event that are close to each other.

All units will be included in the rotation.

Units will pick the location, patch design, ribbons, trophies and other necessary equipment for the race.
5 TRACKS; 5 SCALES; 5 GAUGES; 5 ELIMINATION BOARDS; 5 REGISTRATION TABLES
